

Grappa di Barolo *Capalot e Roggeri*

TECHNICAL DATA

Distilled from the freshly racked marc of Nebbiolo grapes from our Capalot, Galina and Roggeri Barolo wines.

It comes in two versions:

- **Young white grappa:** crystal clear, fresh scents of violets and raspberry, warm and soft in the mouth with the obvious character of Nebbiolo from Barolo.
- **Grappa aged in oak barrels:** amber in color, with aromas of berries, dried apricots and vanilla. Supple, warm and enveloping.
